2023/24 COLLECTION

TEE JAYS®

SINCE 1976

DRESSED FOR ALL WEATHER

Since 1976, TEE JAYS has designed modern basics for men and women. Made-to-be-worn styles that make life more comfortable – not just on the job but on your days off as well. It started with promotional wear only, but today we also offer our everyday essentials for consumers.

Our collection features accessible essentials for any occasion; from elegant dress shirts and preppy polos to durable and comfy leisure and workout clothes. We prioritize high-quality materials and details like stitching and fit, but we never compromise on design either. We want our designs to look just as good as they feel.

The highlights are the new All Weather Winter Jackets – an ekstra warm ad on to our All Weather Series. As an extension to our Mountain Fleece series we have the Mountain Hooded Fleece in a new colour Asphalt.

THE OUTERWEAR CONCEPT

A jacket isn't just a jacket. While we value simplicity and functionality, we also know that different occasions require different looks. From the elegant and sleek business jackets to the urban-vibe styles with a laidback look; our collection offers a wide range of outerwear designs for any occasion.

THE BUSINESS JACKETS

Comfy and warm, stylish and elegant. Our fine collection of business jackets caters to style-conscious men and women who want to look their best while staying warm. Whether you prefer a long or a short jacket, these classic and timeless styles will make you look and feel your best for work, business meetings or strolls in the park.

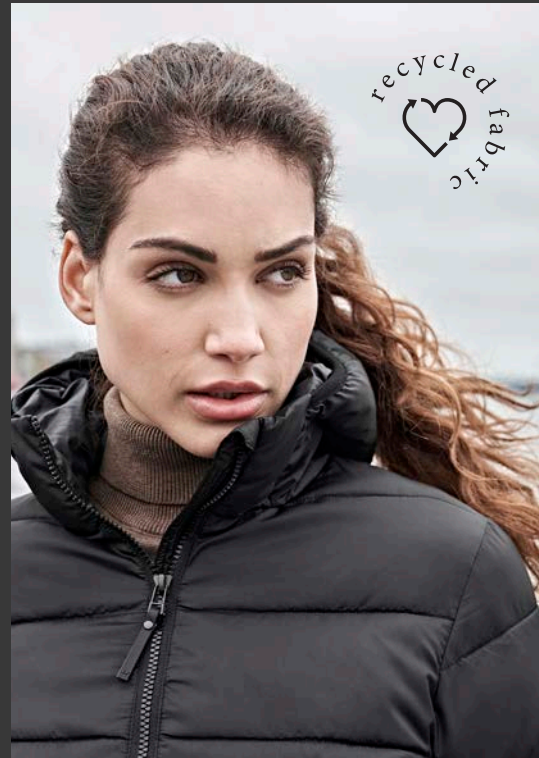

THE URBAN JACKETS

In our Urban Jacket collection, you'll find warm, functional and stylish jackets for any occasion. It's jackets that can be worn in the city or for a stroll in the park. Our selection of Urban Jackets are guaranteed to keep you cool and warm all day.

THE SPORTY OUTDOOR JACKETS

In our Sporty Outdoor Jacket collection, you'll find comfortable and functional jackets with a casual and sporty look perfect for outdoor activities. Our selection of Outdoor Jackets is guaranteed to keep you cool and warm all day, even in cold and rainy autumn weather.

THE RECYCLED JACKETS

As part of our mission to reduce our environmental footprint we present our Sustainable Jacket collection with styles made entirely from recycled fabrics. It is a curated selection of classic, functional jackets and bodywarmer, all made from recycled post-consumer and pre-consumer plastic waste.

NEWS

2023 / 24 COLLECTION

Over the years we have developed existing styles and added new outerwear styles to the collection. Our All Weather range is now complete with a winter jacket for both men and women. We've also added a casual hooded fleece and new color to our Mountain range. In all a diverse collection of premium jackets for any occasion.

ALL WEATHER WINTER JACKET

Style 9680 / 9681

The All Weather Winter Jacket is a warm, practical and stylish, addition to the All Weather Jacket series. With its combination of four-way stretch fabric and ekstra padding with premium DuPont™ this jacket is the perfect option for the modern businessman or woman, who appreciate outdoor activities and want to be prepared for any kind of weather.

[Read more on page 15](#)

MOUNTAIN HOODED FLEECE

Style 9124

The Mountain Hooded Fleece is for cold days. The heavy and soft polyester fleece combined with reinforced ripstop on shoulders and elbows makes it both cool and functional. Stay warm and stylish while hiking, camping, or just enjoying the great outdoors.

WE LOVE TO CARE

As an important part of our collection we have included styles made from recycled plastic. It is a curated selection of classic, functional warm jackets and a bodywarmer, a lightweight Club Jacket and Polo shirt.

We are proud of our styles made from recycled fabrics. These styles are marked with our "recycled" logo.

THE LITE SERIES

By using materials made from recyclables we can contribute to the elimination of plastic waste while reducing energy use and the demand for oil.

This is why we have created the Lite Series: Our first collection using recycled fabrics, meaning fabrics made from unusable post-consumer plastic and nylon waste. These styles are marked with our "recycled" logo.

FLEECE JACKETS

A quality fleece jacket is a wardrobe must-have if you enjoy being outside. It's durable, warm and timeless, and can be worn as a midlayer or simply as a jacket. While a typical fleece leans towards casual wear, choosing a knitted fleece in a neutral colour will make it feel a bit more dressed up. Browse our collection and find your favorite.

COMPANY CSR POLICIES

At TEE JAYS we recognize the huge responsibility we hold as a textile manufacturer. And we owe it to our planet and our next generations to do what we can to help foster positive change and promote a more sustainable way of making clothes. Clothes in premium quality that lasts. Within our range, you will find products made in Organic cotton and Recycled polyester fabrics. In 2021 we also became a proud member of Better Cotton. And of course, every product is covered by STANDARD 100 OEKO-TEX®.

Our Code of Conduct is based on UN Global Compact's 10 principles which are based on internationally adopted declarations and conventions on human rights, labour rights, environmental protection and anti-corruption. TEE JAYS does not own any factories, but we cooperate with suppliers that understand the importance of complying with the guidelines of our Code of Conduct about the ethics and behaviour throughout the supply chain.

TEE JAYS are a member of Amfori, the leading global business association for open and sustainable trade. Its mission is to enable each of its members to enhance human prosperity, use natural resources responsibly and drive open trade globally. TEE JAYS Participate in Amfori BSCI in order to better monitor and improve the social performance within our supply chains. We endorse the eleven principles of the amfori BSCI Code of Conduct and recognize that improving working conditions in our supply chains is a necessity for the overall resilience and performance of our business.

TEE JAYS is certified by STANDARD 100 OEKO-TEX® which is one of the best-known labels for textiles and guarantee that the clothing does not contain harmful substances. It is the world's leading independent testing institutes and regularly controls all testing for substances which are harmful to human health and the environment. Clothing that are certified by the STANDARD 100 OEKO-TEX® is subject to requirements covering pH value and the content of, for example, pesticides and heavy metals.

The Organic Content Standard/OCS verifies organically grown content and tracks it from the source to the final product. The TEE JAYS products which is Organic Content Standard/OCS certified is marked with "organic cotton symbol". Products certified to the Organic Content Standard/OCS contain organically grown content that has been independently verified at each stage of the supply chain, from the farm to the finished product. The purchase of Organic Content Standard/OCS certified products demonstrates demand for organic agriculture. Organic cotton is produced and certified to organic agricultural standards, which require practices to sustain ecosystems.

The Recycled Claim Standard/RCS verifies recycled content and tracks it from the source to the final product. Products certified to the Recycled Claim Standard contain recycled content that has been independently verified at each stage of the supply chain, from the recycler to the finished product. The purchase of RCS certified products demonstrates demand for recycled content.

TEE JAYS are a proud member of Better Cotton and we are committed to improving cotton farming practices globally with Better Cotton. Better Cotton is sourced via a system of Mass Balance and is not physically traceable to end products. We are committed to sourcing 95% of our cotton as more sustainable cotton by 2025. More sustainable cotton includes Better Cotton and Organic cotton. Better Cotton connects people and organizations throughout the cotton sector, from field to store, to promote measurable and continuing improvements for the environment, farming communities and the economies of cotton-producing areas.

THE ORIGINAL HOLDS THE FUTURE

Our primary goal is to stay focused and do what we do best – that is to provide great service and to produce high-quality basic products. We are strong in design, stocking, and we maintain focused on high standards and continue to deliver the absolute best in profile clothing.
